PRICE IMPROVEMENTThis 3-bedroom, 2-bath block construction home is a gem that blends comfort, efficiency, and versatility. Whether you're looking for a peaceful family haven or a smart investment, this property delivers!

Bonus Room Alert – Easily convert the flex space into a 4th bedroom, office, or even a private in-law suite with its adaptable layout.

Energy Smart Living – Solar panels on the roof (Paid in full) help keep electric bills incredibly low, so you can stay cool without burning cash. Recent updates include newer roof, A/C, windows, electrical, and plumbing—major systems already done for you.

The kitchen and both bathrooms feature stone countertops, stainless steel appliances, and ceramic tile throughout for easy maintenance and a polished look.

Step Outside to Paradise – The real showstopper here is the expansive backyard, boasting mature landscaping that offers both beauty and privacy. Whether you're sipping your morning coffee on the large covered rear deck, planning your dream pool, or building a custom garage or guest suite, this outdoor space is full of potential.

No flood zone. Water softener included.

Perfect as a single-family home, a multigenerational setup, or a partial rental—this home’s flexible floorplan adapts to your lifestyle.

Just move in and enjoy, or explore the creative ways to make it uniquely yours. Schedule your showing today!
